mh 26-dtd M ARYLAND STATE LOTTERIES.—R. FRANCE & CO., Managers.—CAUTION NOTICE.—Persons living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of Packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them -Capital Prizes of from \$20 000 to \$40,000 head their schemes-with tickets at one Dollar .-\$100,000 Capital Prizes are offered, tickets \$5. All such in every instance, are frauds; and if money is sent to them for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small

cost of tickets, put it down as a certain fraud. The Kentucky State Lottery for the benefit of the Shelby College, under our management, is the only Lottery in the United States which is legally decided by the Maryland Drawings; all other Lotteries which purport to be decided by the Maryland Drawings, are frauds.

MISCELLANEOUS READING.

NIGHT SCENES AT LUCKNOW. These are simply the day occurrences. which were followed by the long, dreary nights. We would sit for hours, expecting EMY LOTTERY, in each of their Single Number every moment to be attacked. Officers would come round, and say, in a solemn manner. "The Brigadier requests that you will be particularly on the alert." Here and there, by the glimmer of a miserable lamp, you ot serve the pale, care-worn faces of half a dozen volunteers. One man loading his musket, another looking at his pistol, and a third filling his cartridge-box. One of the party would presently shoulder his musket and go off to stand on sentry, whilst another dived down in mine, to see that the enemy were not getting under our house .-Presently you would bear the sudden cry of the sentry calling out that "the enemy were advancing." Then, "turn out" on all sides. Now you hear the grape strike against our batteries and earth-works; the musket bullets fly over in showers: round shot come through our walls; and loud above all, you distinguish the sound of the enemy's clarions, and numberless bugles blowing the "advance." Now and then, midst the roar of 4 Prizes of \$400 ap'g to \$70,000 are \$1,600 artillery, you could hear the elephants 4 Prizes of 300 ap'g to 30,000 are 1,200 trampling as they were made to drag heavy 800 guns to position, and the change of direction of a shot immediately after told plain-400 ly that the enemy had moved a gun. We let them fire away, and waited nationally to listen if they were creeping through the long grass that grew all around our entrenchments, and strained our eyes to see in the darkness. Every now and then we fancied we saw the figure of a man, and then it seemed as suddenly to disappear .-Sometimes the moon, shining on the leaves of the castor-oil tree, used to look like men's turbans, and more than once we were induced to fire at them. Every now and then you heard orders given to load the guns with "grape" over the "round shot," and our men would be seen running for hand-grenades, &c., to be ready in case of a rush at our poered by the Commissioners, the Prize being sition. In the meantime you would see little placed against the number drawn.
